Liability incident guidelines

In the event of a claim

You must report every claim and any incident that is likely to give rise to a claim in the future. Incident notification guidelines are attached to this document to assist you. **Please contact Howden on 0121 698 8040 and complete the necessary report/claim form as soon as possible to avoid prejudicing your claim. Do not admit liability; do not make an offer or promise to pay.**

Usually, the claimants are looking for financial compensation.

Incident notification guidelines

It is important that all incidents that may give rise to a claim are reported to us as soon as possible after the event. This will enable insurers to carry out investigations at an early stage whilst information relating to the claim remains fresh in the mind. This will also ensure that you are complying fully with your policy terms and conditions.

In order to achieve this, we ask that you notify us immediately of any incident that involves:

- A fatal accident
- An injury involving either referral to or actual hospital treatment
- Any allegations of libel/slander
- Any allegations of professional negligence i.e. arising out of tuition, coaching or advice given or breach of copyright
- Any investigation under any child protection legislation (including matters which may trigger your safeguarding policy)
- Any circumstance involving damage to third party property

An injury is defined as:

- Any head injury that requires medical treatment (doctor or hospital)
- Any fracture other than to fingers, thumbs or toes
- Any amputation, dislocation of the shoulder, hip, knee or spine
- Loss of sight (whether temporary or permanent)
- Any injury resulting from electrical shock or burn, leading to unconsciousness or requiring resuscitation or admittance to hospital for more than 24 hours
- Any other injury leading to hypothermia, heat induced illness or to unconsciousness which requires resuscitation or admittance to hospital for more than 24 hours
- Loss of consciousness caused by asphyxia or by exposure to a harmful substance or biological agent
- Any investigation under any child protection legislation (including matters which may trigger your safeguarding policy)
- Any circumstance involving damage to third party property

Please note the above list is not exhaustive and if you are unsure as to whether an incident should be reported, then please do not hesitate to contact Howden claims department for further advice.

We would remind you that in NO circumstances should you admit liability or agree to pay for any damage caused as this may prejudice the position of Insurers and COULD result in the withdrawal of any indemnity.

Finally, please note that this is a liability policy where Insurers decide if negligence attaches to you. Therefore, any payments you make to any third parties will not necessarily be reimbursed.

Incident recording guidelines

We would recommend that a designated person within your organisation is made responsible to record any reportable accident/incident. Records must be kept for at least six years, and longer where it involves a person under the age of 18 years. Names and addresses of any possible witnesses should also be recorded.

Current legislation does not specify the format of an accident register but the Accident Book BI 510 obtainable from HMSO is frequently used and is approved by the Information Commissioner for D&A Compliance.

The register must contain the following information relating to all reportable accidents or dangerous occurrences:

- Date and time of accident
- As regards a person at work - full name; occupation; nature of injury; age
- As regards a person not at work - full name; status (e.g. customer); nature of injury; age
- Place where accident occurred
- A brief description of the circumstances
- Method by which the event was reported

Type of information you may have to provide for liability notification

- Details of your affiliation to England Netball so membership can be verified
- An incident notification form so that full details are recorded
- Copy of your risk assessment
- Accident book entry for the incident
- Witness details
- Photographs of the area where the incident happened and any CCTV or other recording if available
- If you have received any correspondence, letter, claim, writ or summons please forward to Howden on receipt and unanswered

Reporting incidents to Health & Safety Executive

You may also have obligations under the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013.

Dependant on the type of accident this may apply for injury to employees/those working for you paid or unpaid or to members of the public.

Reporting a personal accident claim

Have you injured yourself whilst participating in England Netball recognised activity?

Please contact Howden on 0121 698 8040, within 120 days of injury occurring and complete the necessary claim form as soon as possible.

- Please provide your membership ID so that membership can be validated before Howden can advise on potential benefits available.
- For all injuries, insurers will require:
 - Medical confirmation of the injury, eg discharge letter from the A&E or Hospital you attended
- If qualify for broken bones benefit you will need to supply a copy of discharge notes/medical confirmation of the fracture
- In respect of ACL if your injury requires reconstructive surgery, insurers will require copies of your hospital discharge notes to confirm the surgery has taken place. If you are on a waiting list for surgery and have written confirmation that the surgery is needed, Insurers can consider the benefit if this document is provided.
- If you qualify for a temporary total disablement benefit, insurers require wage slips for 3 months prior to the accident date (or last tax return if self-employed) and medical certificates covering the whole period of absence.

Additional guidance will be provided by the Howden claims team dependant on the injury sustained and benefit(s) which may be applicable.

Important note from insurers

In respect of section A personal accident, notice must be sent to **us** as soon as practicable (and no later than 365 days after the incident) of any **accident** to an **insured person** and the **insured person** must as early as possible place himself under the care of a duly qualified **medical practitioner**. Notice must be sent to **us** as soon as practicable in the event of the death of the **insured person** resulting or alleged to result from an **accident**.

Important note

Claims under this personal accident policy must be notified using the reporting guidelines outlined by England Netball. These must be received by the insurer within 120 days from the date of the incident and no claim will be considered after 365 days from the date of the incident. If you are unsure if your injury will trigger a claim under the policy, please discuss with Howden claims team.
